What do we do? //

Monthly subscription

way to support your favorite artists!

We provide monthly subscription payment plan to support your favorite YouTubers, Artists, Singers, Podcast, and more!

The **BRIDGE** between Viewer and Artists

While supporting the artists,
you can also get **extra content,**
gift, and more in return!

Why? //

Indie artists are on the
rise, from YouTuber to
musician, everyone has
the tool to become an
artist!

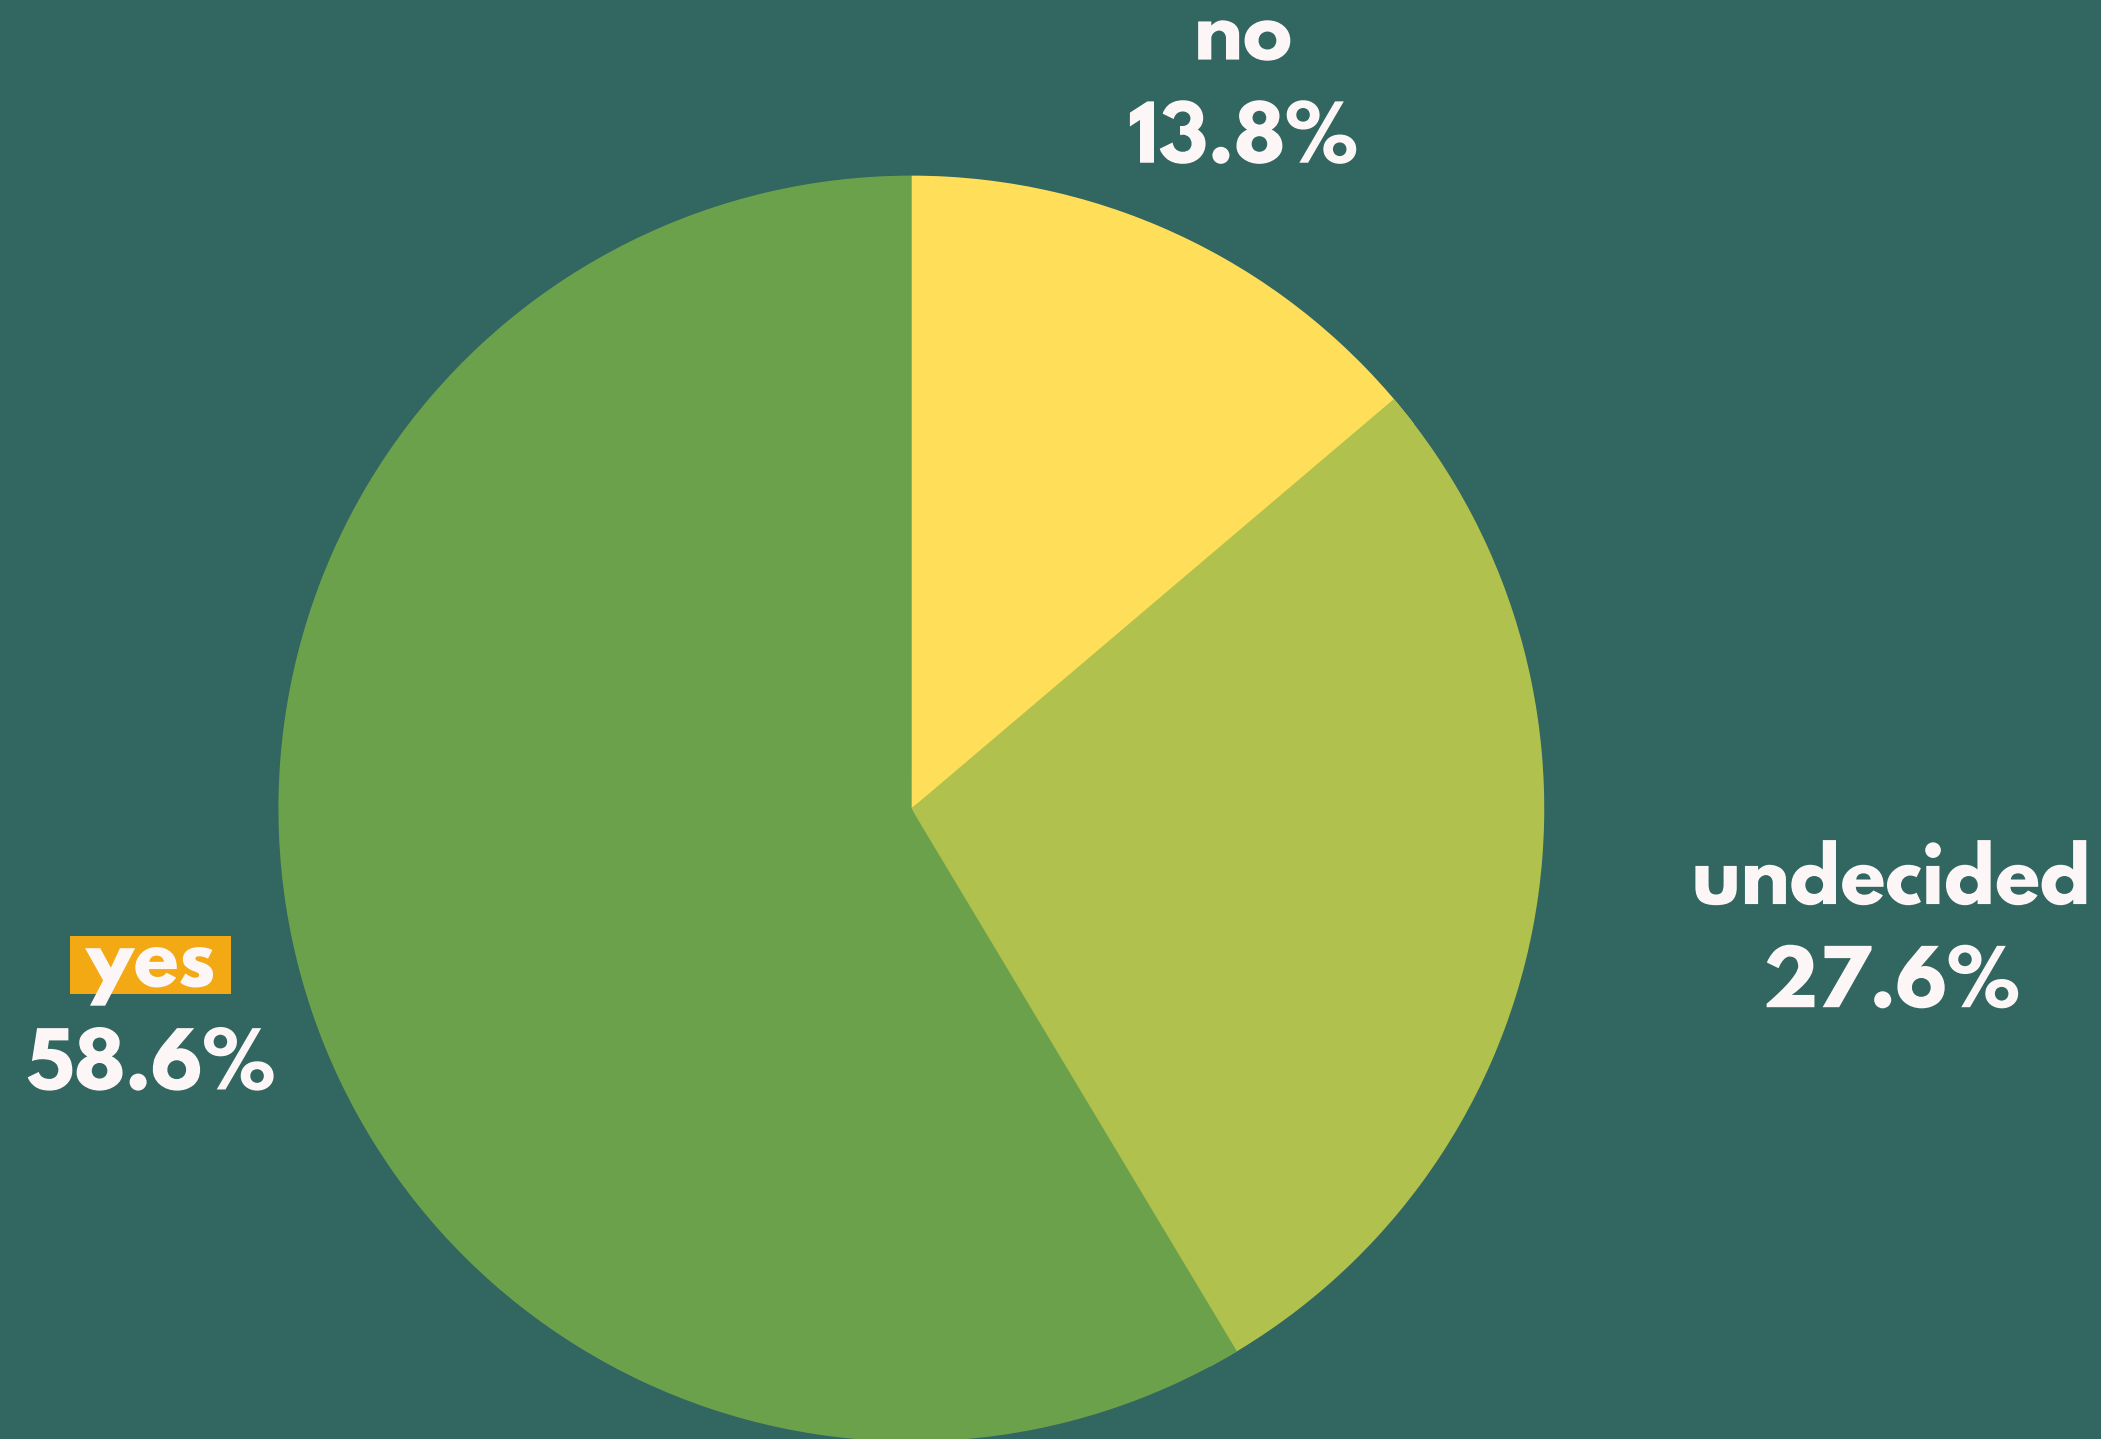

**Viewers are more willing to
support small artists than ever**

**People are tired of
sponsored ads.**

**Viewers now focus more on
artists with actual talent and
great personalities**

Survey show that **59%**
of college strudents are
willing to support artists
finacially if VENI is
an option

Q : Will you be willing to spend small amounts of
money (50 ~ 200 NTD) monthly to support your favorite
artists with small gift in return?

What is VENI like? //

Individual artists can
create a page on VENI,
where it shows the
artist info, creation, last
but not least, **customize**
subscription plans

Artist focused design,
customizable

Hello!

I'm Lynn, I'm an indie singer

I'm currently working on my second

How will we make
money? //

We profit 10% from the
money subscription
Additional profit from
advertisement revenue
on the website

VENI will start by
collaborating with
small individual
artists

What makes VENI

stand out? //

Our ultimate goal is to
create a platform that
better **connects** artists
and audience!

**In the near future we
plan to create an easier
way for artists to
design, create, and sell
merchandise**
